Transfer of Control

Grant of Authority

Date of Action: 05/20/2022

Current Licensee: Tularosa Communications, Inc.**FROM:** Elizabeth Silkwood**TO:** Kristann Mattes

An application has been filed for consent to the transfer of control of Tularosa Communications, Inc. (TCI), a New Mexico corporation that holds an international section 214 authorization (ITC-214-20000824-00503), from Elizabeth Luanne Silkwood (Ms. Silkwood) to Kristann S. Mattes (Ms. Mattes). TCI is a wholly owned subsidiary of Tularosa Basin Telephone Company, Inc. (TBTC), a New Mexico corporation. TBTC is 50% owned by Stageline Communications, Inc. (Stageline), a California corporation, and 50% by Dell Telephone Cooperative, Inc. (Dell), a Texas corporation, with each having negative control of TBTC and consequently negative control of TCI. Stageline is wholly owned by Ponderosa Communications, Inc. (PCI), a California corporation. Dell is a rural telephone cooperative and none of Dell's member-customers directly or indirectly hold or control 10% or greater equity or voting interests in Dell.

Ms. Silkwood had de facto control of PCI and its subsidiaries and affiliates, and thus negative control of TCI, at the time of her death on December 22, 2021. She controlled 61.81% of PCI's shares through: (1) direct ownership of 29.44% of PCI shares; (2) as trustee or co-trustee of family trusts that held 29.57% of PCI shares; and (3) 50% control of Silkwood Ventures, LLC, which controls 2.80% of PCI shares.

Ms. Mattes, a U.S. citizen and sole surviving child of Ms. Silkwood, was appointed as the executrix of Ms. Silkwood's estate and as successor to Ms. Silkwood as trustee of several family trusts organized in California. As executrix, Ms. Mattes has de facto control of PCI and negative control of TCI through: (1) direct ownership of 4.98% of PCI shares; (2) control as executrix of the 29.44% of PCI shares held in Ms. Silkwood's estate; (3) control as trustee of the 23.52% of PCI shares held by family trusts for which she succeeds Ms. Silkwood as trustee; and, (4) control as co-trustee of a trust that contains the membership interests of a limited liability company that owns 2.80% of PCI shares. Thus, Ms. Mattes will own directly or control as executrix or trustee a total of 60.74% of the PCI shares.

According to the Applicants, after the probate of Ms. Silkwood's estate is completed and the PCI shares are distributed in accordance with the terms of the applicable will provisions and trust documents, Ms. Mattes, as the primary beneficiary of Ms. Silkwood's will and the various family trusts, will own more than 50.1% of the voting shares of PCI and her de facto control of PCI will evolve into de jure control of PCI and negative control of TCI. Specifically, Ms. Mattes will: (1) continue to directly own 4.98% of PCI shares; (2) own the 15.72% of PCI shares held by the Else B. Bigelow-Jesse E. Bigelow Trust that will be distributed outright to Ms. Mattes; and (3) solely own Silkwood Ventures, LLC which holds 2.80% of PCI shares. In addition, the 29.44% of PCI shares formerly held by Ms. Silkwood will either be distributed outright to Ms. Mattes or will be placed in the Kristann Silkwood Mattes GST Trust (GST Trust) for which Ms. Mattes and Matthew C. Wagner, both U.S. citizens, will be co-trustees. The 6.05% of PCI shares held by the Jesse E. Bigelow Residual Trust will either be distributed outright to Ms. Mattes or will be placed in the GST Trust. Finally, the 7.80% of PCI shares held by The Robert L. Silkwood Trusts may be distributed outright to Ms. Mattes or, subject to a qualified disclaimer, to her children Robert J. Mattes and Shyann E. Mattes.

The Applicants further state that Franklin E. Bigelow and Mary Costales, both U.S. citizens, each directly hold 2.02% of the PCI shares and are the trustee or co-trustees of fifteen separate family trusts that hold a cumulative 24.20% of the PCI shares. According to the Applicants, no other individual or entity will hold a direct or indirect 10% or greater equity or voting interest in PCI or TCI.

This authorization is without prejudice to the Commission's action in any other related pending proceedings.

- (3) Carriers shall comply with the requirements of Section 63.11 of the Commission's rules, which requires notification by, and in certain circumstances prior notification by, U.S. carriers acquiring an affiliation with foreign carriers. A carrier that acquires an affiliation with a foreign carrier will be subject to possible reclassification as a dominant carrier on an affiliated route pursuant to the provisions of Section 63.10 of the rules.

- (5) Carriers shall comply with the "No Special Concessions" rule, Section 63.14, 47 CFR § 63.14.

Carriers shall not otherwise file tariffs except as permitted by Section 61.19 of the rules, 47 C.F.R. § 61.19. Except as specified in Section 20.15 with respect to commercial mobile radio service providers, carriers regulated as non-dominant, as defined in Section 61.3, and providing detariffed international services pursuant to Section 61.19, must comply with all applicable public disclosure and maintenance of information requirements in Sections 42.10 and 42.11.
- (7) International facilities-based service providers must file and maintain a list of U.S.-international routes on which they have direct termination arrangements with a foreign carrier. 47 CFR § 63.22(h).
